

PEER TUTORING

*Join Peer Tutoring today to receive free
and effective tutoring!*

Drop-in sessions take place Monday to Thursday after school in Room 293, from 3:30 to 4:30.

Regular sessions are arranged between paired students and tutors, and can take place inside or outside of school.

While tutors cannot replace classroom teachers, they can reinforce and clarify material covered in class as well as assist students with test or exam preparation.

In addition, many of our tutors have or will receive tutoring certification from L2L, an organization that certifies tutors.
